

The Bank of Elk River Bank to Bank Transfer Service Agreement

Within Online Banking you may separately enroll for the Bank to Bank Transfer Service (“Service”). This

Service allows you to transfer funds between your linked personal deposit accounts at The Bank of Elk River and certain deposit accounts at other financial institutions. An inbound transfer moves funds into an account at The Bank of Elk River. An outbound transfer moves funds from an account at The Bank of Elk River to an account outside of The Bank of Elk River. You may enroll up to two non-Bank of Elk River accounts that you wish to use for this Service. You agree that you will only attempt to enroll accounts for which you have the authority to transfer funds. All accounts requested to be used as part of this Service will be verified in accordance with The Bank of Elk River procedures. The verification process must be completed by you prior to using the Service. You will have 7 days after enrolling an account to complete the verification process. Verification instructions are displayed to you during the enrollment process.

Funds requested to be transferred will be debited/credited to your Bank of Elk River account the business day following the day you initiate the transfer, provided you have met our cutoff time for submitting Bank to Bank transfers. In the case of a future-dated or recurring transfer, these time limits will be the business day following the scheduled date of the transfer. The cutoff time for initiating transfers is 3:00 PM. Funds requested to be transferred will be debited/credited to your non-Bank of Elk River account according to the receiving Financial Institution’s availability and transaction processing schedule.

Request for immediate transfers of funds cannot be cancelled. Future-dated and recurring transfers can be canceled by 3:00 PM the day prior to the scheduled transfer date. If the transfer status is In-Process, Pending, or Processed; you cannot cancel the transfer. There is a \$3.00 fee for outbound transfers. This fee will be included in the total transfer amount that is deducted from your Bank of Elk River account.

For example, your Bank to Bank transfer is \$300.00 and the Transfer Fee is \$3.00, your financial institution will receive \$300.00 and your TBER account will be charged \$303.00. There is no fee for inbound transfers. Fees are subject to change. Transfers are subject to the following limits unless otherwise agreed upon by you and The Bank of Elk River:

1. Three inbound transfers per day not to exceed a total of \$2,000
2. Three outbound transfers per day not to exceed a total of \$2,000

The above limits apply to the total of all Bank to Bank transfers of a specific type for all accounts enrolled in the Service. We may change your dollar limits and transfer limits at any time.

ELECTRONIC FUND TRANSFERS: YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference. Electronic Funds Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic funds transfers between your account and the third party’s account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction, (typically, at the point of purchase, a merchant will post a sign and print the notice on the receipt). In all cases, these third party transfers will require you to provide the third party with your account number and bank information. This information can be found on your

check. Thus, you should only provide your bank and account information (whether over the phone, the internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- Preauthorized credits. You may make arrangements for certain direct deposits to be accepted into your checking or savings account(s).
- Preauthorized payments. You may make arrangements to pay certain recurring bills from your checking or savings account(s).
- Electronic check conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills.
- Electronic returned check charge. You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check is returned for insufficient funds.

The MasterCard currency conversion procedure includes use of either a government-mandated exchange rate, or a wholesale exchange rate selected by MasterCard. The exchange rate MasterCard uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date of purchase or the date the transaction was posted to your account.

MasterCard charges us a Currency Conversion Assessment of 20 basis points (.2% of the transaction) for

performing the currency conversion. In addition, MasterCard charges us an Issuer Cross-Border Assessment of 90 basis points (.9% of the transaction) on all cross-border transactions regardless of whether there is a currency conversion. We charge you a Cross-Border Transaction fee of 1.50% on all cross-border transactions regardless of whether there is a currency conversion. You understand that your HSA is intended to be used for payment of qualified medical expenses. It is your responsibility to satisfy any tax liability resulting from use of your HSA for any purpose other than payment or reimbursement of qualified medical expenses. We do not monitor the purpose of any transaction to or from your HSA. Also, if your statement shows transfers that you did not make, including those made by card, PIN or other means, tell us at once. We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.
